DIGITAL INNOVATION & TRANSFORMATION

TESTIMONIALS

After the course, we are able to identify and align more with business leadership. Great course. Keep it up.

Vijaya Krishna K S
CIO , BFW (Bharat Fritz Werner Ltd)

While I was not very well versed with the concepts, there was immense learning from peers on practical implementation of Digital Transformation.

Rajarshi Chanda
Program Manager, Fujitsu

Opportunity to learn from industry experts and discussions on many use cases has really helped us also exercises and project assignments helped us to align our strategy for organisation in much better manner. A full pack of digital transformation anyone can think we have complete understanding now.
